Saturday, March 7 2020

Women In Leadership Summit

No Saturday School Classes

BOA ROP Classes

STUDENT SECTION

SAT DAY: It is imperative that you arrive to school on time and go straight to your testing center. Follow Ms. Ortega's directions.

HATS ON CAMPUS: Only NAHS hats are allowed to be worn on campus (outside of the classroom only) We will confiscate your hat if it is not NAHS approved and it has already been confiscated before, it will not be given back until a parent meeting is held. This rule has been in place always and it is interesting how I still have some of you that claim that you did not know of the rule. Well, now you do.

GUM: This is another reminder that gum is not allowed in school and I still see some of you chewing gum in classrooms. I need you to be respectful and not throw gum on the floor anywhere at school. We have plenty of trash cans so you can dispose of the gum once you arrive to school.

BE SAFE-WASH YOUR HANDS: To avoid getting sick or spreading illnesses, it is important to:

- Regularly wash your hands with soap and water for at least 20 seconds;
- Avoid unnecessarily touching your eyes, nose, or mouth after washing your hands;
- Cover your sneeze or cough with a tissue or sleeve, not your hand;
- Stay at home if you have a fever for 24 hours (without the use of fever-reducing medications); and
